

Making Places Profitable – Public and Private Open Spaces (MP4)

Priority Four: Promoting Sustainable and Competitive Communities

Presented by Sara Parratt-Halbert

Aim: To bring about a major shift in EU cohesion policy towards the longterm security of its investments through a shared agenda for the longterm improvement of open spaces

- Who can we influence to bring about change?
- Who will sign up to thinking about place-keeping before planning place-making?
- Which decision-makers can we convince to make place-keeping a part of city masterplans?
