

NMC-BASIS visit to St. Petersburg

This week NMC-BASIS visited the President Administration in Saint Petersburg. The aim for the meeting was to inform about the status of NMC –Basis and the upcoming events for the rest of the project period. Important was also to support the StratMos DP4 partner Frank Knoors - “Secured trade lanes in the North Continent- Russia Corridor” in his efforts to do a pilot on customs clearance for temporary importation and exportation of CSD (Circuit Switched Data) containers. Positive signals were given from the Russian side and important information were exchanged both ways. Unfortunately neither Lukjanov (Klebanovs deputy) or Zimin (Economic Department) showed up, explained by suddenly participation with their boss Ilya Klebanov at TV conference together with all 8 Federal Russian districts.

StratMos delegation:

Frank Knoors, Managing Director Seqouyah

Jean Verheyen, The Descartes Systems Group

Nadine Van Rompay, NW import Manager Mediterranean Shipping Company

Harald Sørensen, The Norwegian Barents Secretariat
