# Regional trial raspberries, organic system, Sweden

*Birgitta Svensson*

28 June 2011

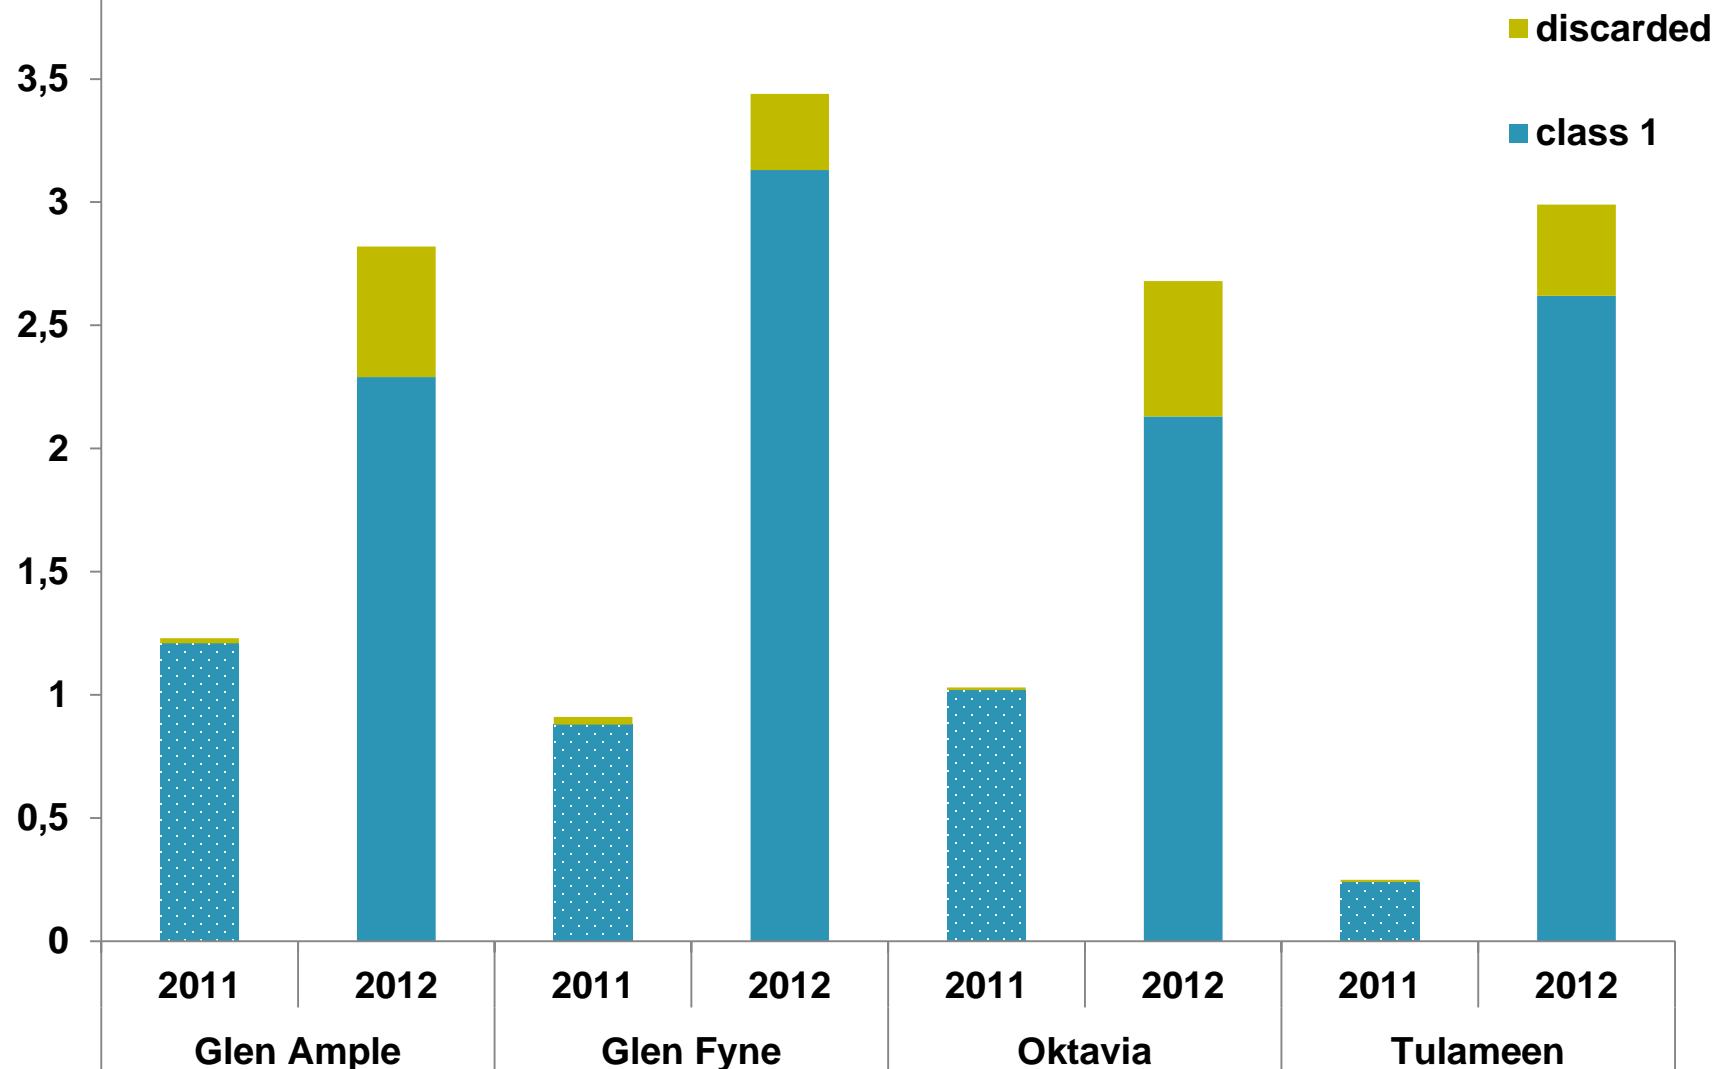

A photograph of a large agricultural greenhouse with a curved, translucent plastic roof supported by a metal frame. Inside, there are several rows of raspberry bushes, each supported by a wooden stake and some green mesh. A central aisle is paved with grey concrete and has white lines marking its center. In the background, through an opening in the roof, a green field and some trees are visible. The date "12 June 2012" is printed in white text at the bottom left of the image.
