## **Town Pier pontoon provides berthing for a range of commercial vessels and leisure craft. The Gravesend - Tilbury Passenger Ferry will run from here.**

Gravesend sits on the south bank of the River Thames, half way between Thames Estuary and London's Tower Bridge, a distance which most craft can achieve on a tide.

Fully accessible all tide access with power and water

Pontoon river face – 40m length, max. draft 4m

Pontoon shore-side face – 12m length, max. draft 2m

### **Also available adjacent to Gravesend Town Centre and the pontoon:-**

All-tide buoy moorings - craft up to 30m, max draft 2.5m

Half tide quay moorings at St Andrew's Quay – 100m quayside for flat bottomed or bilge keel craft able to take ground for half the tide

Marina moorings at Embankment Marina – access at high water

Full details on all moorings – [www.LondonRiverMoorings.com](http://www.LondonRiverMoorings.com)

## **Gravesend is on the High Speed 1 line, 22 minutes from London St Pancras**

**Subject:** New All-Tide Pontoon at Gravesend, River Thames

### **NEW ALL-TIDE PONTOON AT GRAVESEND**

Located on the south bank of the River Thames, Gravesend is an historic gateway to the Port of London and approximately half way between the Thames Estuary and Tower Bridge – the distance in either direction being that which most craft can comfortably achieve on a tide.

Connected to Gravesend's historic Town Pier, the new pontoon will provide berthing and passenger access for the Gravesend-Tilbury Ferry from April 2012 and is designed to accommodate use by a range of other visiting commercial and leisure craft. Fully accessible, all-tide access with power and water.

Come and see what we have to offer. You are invited to attend an open day on either:

**Tuesday 27 March 2012**

**Thursday 29 March 2012**

**10.00am to 16.00pm**

**Telephone 01474 33 76 00 to confirm attendance.**

**Find us at: 51.26.40N 00.22.21E**

**Post code: DA11 0BJ**

#### **Specification:**

**Pontoon River face** - For use by larger vessels, including ferries, small cruise vessels, Thames barges etc.

Up to 40 metres in length

Max draft 4 metres

**Pontoon Shore-side face** – For use by yachts and smaller leisure craft

Up to 12 metres in length

Max draft 2 metres

Also available:

**All tide buoy moorings** - fore and aft, adjacent to Gravesend Town Centre, 300 metres from shore. Suitable for a variety of craft up to 30m, maximum draft of 2.5metres

**Half tide quay moorings** - at St Andrew's Quay – 100 metres of quayside, adjacent to Gravesend Town Centre and available for flat bottomed or bilge keel craft able to take the ground for half the tide.

**Marina Moorings** – at the Embankment Marina – accessed at high water

**For full details on Town Pier Pontoon and other moorings visit**

**[www.LondonRiverMoorings.com](http://www.LondonRiverMoorings.com)**

**Gravesend** – conveniently located for London and the ideal place to visit and stay – just 24 minutes to London St Pancras and 12 minutes to Stratford and the Olympic Village. For more information about Gravesend and its environs visit **[www.gogravesham.com](http://www.gogravesham.com)** or follow us on Facebook@GoGravesham and Twitter@GoGravesham

The pontoon has been funded by iTransfer **[www.itransfer.eu](http://www.itransfer.eu)** an INTERREG IVB North Sea Region Programme, Gravesham Borough Council, Kent County Council and the South East England Development Agency and led by the Institute for Sustainability. The project is being Managed by architects Thomas Ford & Partners and construction work was contracted to Dean and Dyball Civil Engineering Ltd.
