

Improving Transport and  
Accessibility through new  
Communication Technologies

*ITRACT aims  
to improve  
the connectivity and  
accessibility  
of remote areas  
in the North Sea Region  
through the integration  
of innovative transport and  
communication  
infrastructure*

The **ITRACT** partners are:

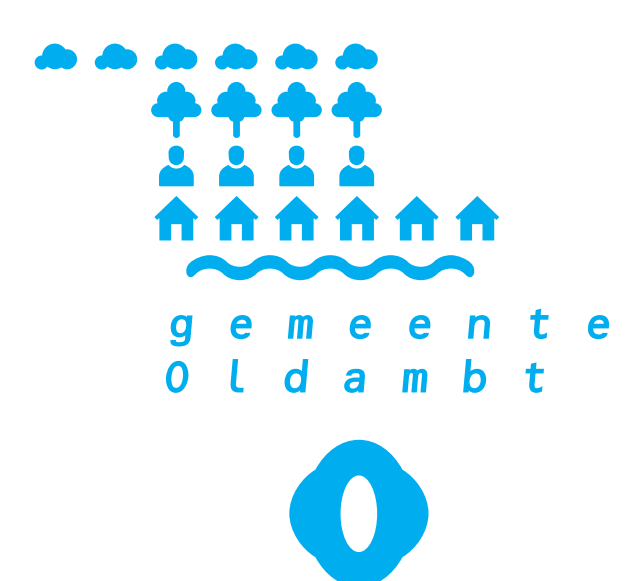

university of  
 groningen

faculty of spatial sciences

university of  
 groningen

faculty of economics  
and business

OV-bureau Groningen Drenthe

*Investing in the future by working together for a sustainable and competitive region*
