Presentation RGA

Kick-off SEEDS
CPH 12 September 2012

SEEDS at RGA

General update

- Consultation process
  - Hero been talking to the sub-partners
  - Sometimes difficult
  - Lesson learnt (#1): bottom-up
  - Lesson learnt (#2): reality changes rapidly
- Ball is rolling

European Union
European Regional Development Fund

The Interreg IVB North Sea Region Programme
Investing in the future by working together for a sustainable and competitive region

Leek

Leek: Leeksterhout - Position in NL

The Interreg IVB North Sea Region Programme
Investing in the future by working together for a sustainable and competitive region

Leek

Leek: Leeksterhout / waterstorage

- **Industrial area along A7 (north + south)**
- **High-speed rail prepared**
- **Water from south to north**
- **Drainage problems**

European Union
European Regional Development Fund

The Interreg IVB North Sea Region Programme
Investing in the future by working together for a sustainable and competitive region

Leek

Relevance to SEEDS

- **Watermanagement still changing (Natura 2000, long-term, water board, climate change)**
- **Hope that the rail is coming**
- **Situation lends to transnational work**
- **(we need a water project)**

Investing in the future by working together for a sustainable and competitive region

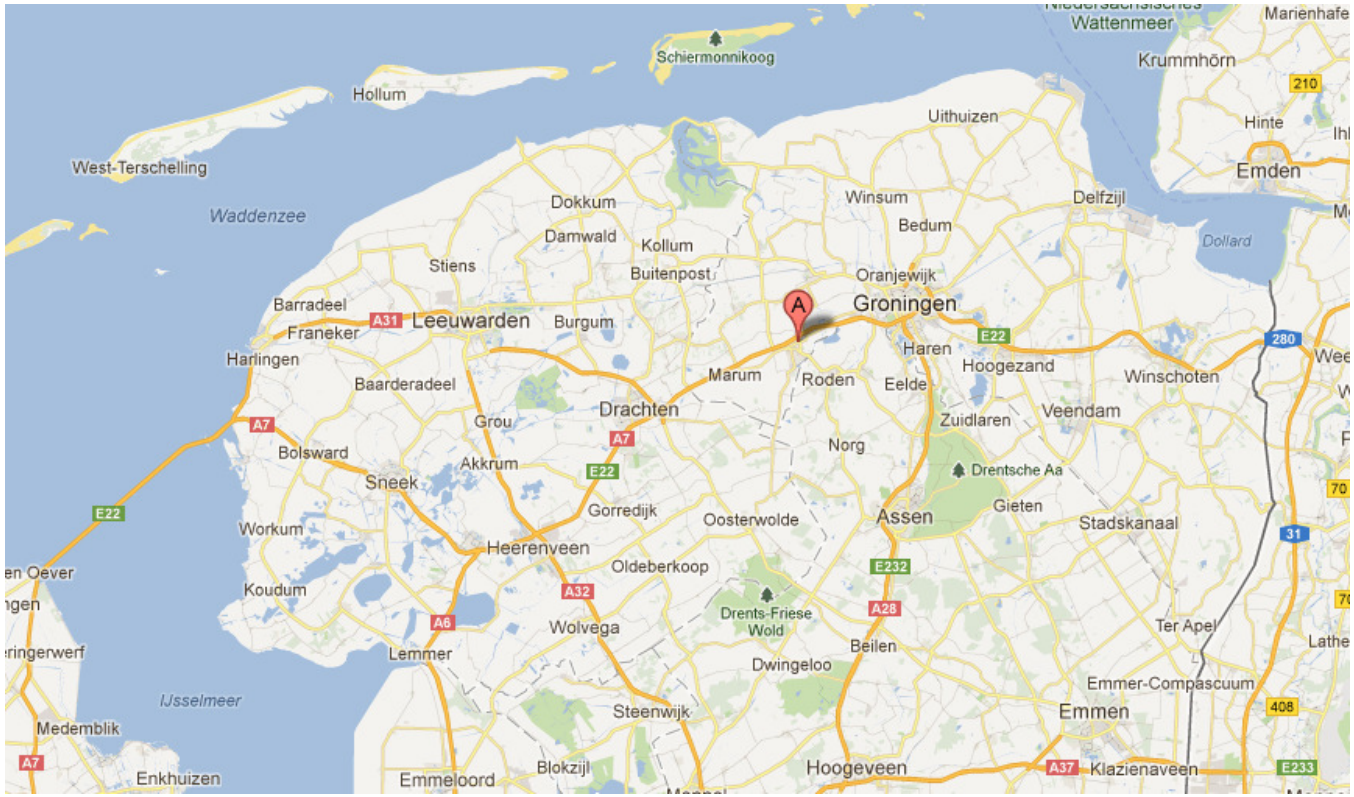
Assen

Assen: Harbour area - Position in NL



European Union
European Regional Development Fund

The Interreg IVB North Sea Region Programme
Investing in the future by working together for a sustainable and competitive region

Assen

Overview

European Union
European Regional Development Fund

The Interreg IVB
North Sea Region
Programme
Investing in the future by working together
for a sustainable and competitive region

Assen

Harbour site (1910)

European Union
European Regional Development Fund

The Interreg IVB
North Sea Region
Programme
Investing in the future by working together
for a sustainable and competitive region

Assen

Harbour site

European Union
European Regional Development Fund

The Interreg IVB North Sea Region Programme
Investing in the future by working together for a sustainable and competitive region

Assen

Harbour site

European Union
European Regional Development Fund

The Interreg IVB North Sea Region Programme
Investing in the future by working together for a sustainable and competitive region

Assen

Harbour site

- We see many parallels to Køge
- Position to large city
  - (work Groningen / live Assen)
- Put in touch with each other
- Practical issues
  - (short-term rental income)

European Union
European Regional Development Fund

The Interreg IVB North Sea Region Programme
Investing in the future by working together for a sustainable and competitive region

Assen

Added value of SEEDS

- Comparable approach
- Creativity
- Think outside box

European Union
