Stakeholder Network:

Paradigms and Policy

Policy:

The pilot is very innovative, a structured process of dissemination is just beginning – eg. with the public SEEDS-conference tomorrow.

And

Policy:

SEEDS Partner Involvement

How have you involved your SEEDS partners?

- Site-visit by the Lead Beneficiary (Sara) in August 2012
- Site-visit by the University of Copenhagen in January

What support, help or information do you need from your SEEDS partners?

- Student-Exchange
- Support by consultancy
- Support by re-usable constructing material

Lessons Learnt:

The approach is still an academic one, 2014 shall be the year of documenting, 2015 of transfer.

Evaluation:

An e-post-evaluation is planned

The Next Claim

What Happens Next:
