# Rural

**European Cooperation Project (2009-2014)**  
on reinforcement of rural areas, on three main  
themes (**workpackages**, WP):

- 1) empowerment of small and medium-sized enterprises towards new economical prospects and innovations
- 2) branding of the region, towards a professional exposure of regions
- 3) optimizing services, towards more and better accessible services and amenities

## **Project structure:**

**13 partner regions**

**Scientific team and scientific group**

## **Contents basis**

- An analysis of the region according to a specifically developed methodology, case studies in each region and a 'best practices' literature study ...
- form the basis for the development of a general working method for sustainable regional development, called the **Rural Power Pack**, to be used and disseminated throughout the EU
- The development of the **Co-operative Agreement Approach**, a method facilitating the involvement of all stakeholders
