

Dear Sir or Madam,

The Authorities responsible for the
INTERREG IVA 2 Seas crossborder cooperation Programme
France – England – Flanders – The Netherlands

have the honour of inviting you to the

2nd edition of the 2 Seas Programme Cooperation Fair

« Developing your cross border ambitions »

which will take place on

23 September 2010

at

the De Vere Royal Bath Hotel, Bournemouth (UK)

As in the previous edition, the Cooperation Fair aims to set up a network of potential partners interested in the development of cross border cooperation projects.

Everything will be arranged to ensure participants meet each other according to shared interests and have the time to set up the foundations of a common project together.

At the end of 2010, little time remains to start up new projects under the current programming period, and it is vital that those who still hope to be a part of a IVA 2 Seas project have the time to set up, develop the content and implement their plans.

Be « a proactive partner »!

All participants are asked to sign up for their chosen priority and theme of the day, and project ideas will be given pride of place in the cooperation area. Everyone, especially those with project ideas will be expected to use every opportunity to turn ideas into applications.
